Boot Camp and implementing your strategies...I have closed on a 6 unit property, an 8 unit property, and I just made over \$60,000 on a 4 unit property! This was all due to your guidance! I haven't stopped there though, You have made me realize that the bigger numbers are just as easy...So I decided to go out and buy a 232 Unit Complex! I would have never done any of this if it wasn't for your help! Oh yeah, and by the way my latest deal was a 10 unit and a 12 unit wholesale deal that put over \$175,000 in my pocket!

"I'm writing to say thank you for your guidance and inspiration over these last few months, as we just closed on an apartment complex of over 150 units for just over \$4 million dollars in an emerging market in Alabama!! In the first year I am getting a Cash Flow of over \$70K. At the end of the 3rd year, we are expecting Cash Flow around \$120K per yr. I would have never done any of this without your Apartment House Boot Camp!!"

**Dave Lindahl™** is one of America's most successful, hands-on, real estate investors. He has written 3 best selling books: *"Commercial Real Estate Investing 101"* co-authored with Donald Trump, *"Emerging Real Estate Markets"* and *"Multi-Family Millions"*.

Dave calls himself "a burned-out landscaper" who 14 years ago made the decision to become financially independent. When Dave started, he had a total of \$800 in the bank. After years of pushing around dirt and railroad ties in his landscaping business, he was exhausted.

Lacking any experience, his family told him, "Dave, you're making a big mistake!" Over time, he developed and tested to perfection his self-created real estate system. One of his key areas of focus over 14 years of doing deals was finding money to invest. Other investors have lost money in the past two years while Dave has quickly amassed a fortune through his real estate deals. Today he controls over a quarter of a Billion dollars in real estate across the country.

"Living in California, finding multi-family properties that cash flowed property was difficult. After learning about market cycles from Dave, my husband and I were able to find a 32 Unit property in Austin, TX. After using the teachings that you taught us regarding Property Managers at your event we will be having an incredible cash flow. Thank you so much for everything Dave!!"
